# CONTEST MECHANICS

## MMC Document No. 3

### I. ELIMINATION ROUNDS

1. The contestants from each participating school shall take the elimination round in a testing center designated by the Division. The elimination round is a written test.
2. Contestants register by sending a copy of their **MMC Form No. 1** to the local DepEd Division on or before **November 17, 2017**. Upon registration on the actual date of the elimination rounds, they should present the original copy of MMC Form 1 and contestants shall be assigned their testing rooms.
3. **For NCR schools, ALL public and private schools** must accomplish an online registration via the MMC portal: <http://onlineportal.metrobankmathchallenge.com> on or before **November 17, 2017**.
4. Contestants in a testing room must be of the same grade level. Students from the same school must not sit beside each other nor one behind the other.
5. Contestants are NOT allowed to bring cellphone, ipad, ipod, camera, calculator, laptop computer, and other gadgets inside the testing room.
6. The proctor shall distribute first the scratch papers where the contestants shall solve the problems. Contestants should write their names in all the scratch papers.
7. Before distributing the test papers, the proctor should tell the contestants that they should write **only** their name and school on the test paper. No one should begin answering the questions unless the proctor gives the signal to do so.
8. The proctor tells the contestants that **only the final answers** must be written on the test paper. All solutions shall be placed on the scratch papers which should also be turned over to the proctors together with the test paper.
9. The proctor informs the contestants of the time limit for the test. He gives the signal for the contestants to begin. Then, he writes on the board "Time Started: \_\_\_\_" and "Time Ends: \_\_\_\_"  
Duration of the test:

Grade Level	Time Allotment
Grades 1 and 2	60 minutes
Grades 3 and 4	80 minutes
Grades 5 and 6	100 minutes
Grade 7 to 10	2 hours

10. Proctor gives 15 minutes and 5 minutes warning before the time is up. All test and scratch papers should be collected when the time is up.

11. The proctor shall give all papers (answered test papers, scratch papers, extra copies of questions) to the person in-charge of assigning the checkers.
12. If any student submits the paper before the time, the proctor shall accept it and ask the student to leave the classroom. The proctor shall collect ALL papers when the time is up and will not allow any extension.
13. The papers shall be corrected using the answer keys provided. Answer keys shall only be opened just before correction begins. Each correct answer merits one point.
14. The scores of the top two contestants of a school by grade/year level shall be added to form the school's score. Suppose the scores of the (3) contestants of **School A** in **Grade 1** are as follows:

**Efren: 32                  Rosa:35    Jose: 38**

- The score of **School A** will be  $35 + 38 = 73$ . The **Grade 1** team from **School A** will be composed of **Jose** and **Rosa**.
- Assuming **School A** qualifies to compete in the **Division Team Finals**, **Efren** will be the alternate if either Rosa or Jose is not available on the date of the competition.
- If in case **both Jose** and **Rosa** are not available to compete due to unforeseen circumstances, **Efren** will not be allowed to compete alone. Thus, their team will automatically be disqualified. **SUBSTITUTION IS NOT ALLOWED.**
