**SUBJECT: PRIORITY COURSES FOR CHED SCHOLARSHIP PROGRAMS (CSPs)
FOR ACADEMIC YEAR 2019-2020**

Pursuant to CHED en Banc (CEB) Resolution No. 264-2019 dated 30 April 2019 in relation to Section 8 (i) and (n) of Republic Act No. 7722, otherwise known as the "Higher Education Act of 1994," and the General Appropriations Act (GAA) for FY 2019 under Special Provision(s) stating that "The CHED shall likewise prioritize courses aligned with global innovation platforms of Science, Technology, Engineering, Agri-fisheries and Mathematics (STEAM) as well as the priorities of the government in key growth areas, such as semiconductor and electronics, business process outsourcing, tourism, general infrastructure and other priority manufacturing industries in the grant of scholarships," this CMO containing the priority courses for CHED Scholarship Programs (CSPs) is hereby issued for Academic Year (AY) 2019-2020.

I. Rationale and Policy Statements

The priority courses are hereby identified to direct/steer higher education students who are recipients of financial assistance under the CSPs to enroll in public or private higher education institutions (HEIs) offering recognized/authorized undergraduate priority courses. For purposes of this CMO, priority courses as hereinafter identified refer to the recognized or authorized undergraduate degree programs offered by public or private HEIs.

The determination of the priority courses was a result of the studies and deliberations conducted by the Technical Working Group (TWG) composed of representatives from CHED and UniFAST Secretariat, Department of Trade and Industry (DTI), National Economic and Development Authority (NEDA), Technical Education and Skills Development Authority (TESDA), Department of Labor and Employment (DOLE), Department of Science and Technology (DOST), Philippine Association of State Universities and Colleges (PASUC), and the Coordinating Council for Private Educational Associations (COCOPEA), in line with the National Development Plan on manpower demands based on the JobsFit 2022 Labor Market Information (LMI) Report of DOLE.

Students who are enrolled in any of the priority courses listed in this CMO may avail of the benefits under the CSPs, depending on the type of scholarships they were able to qualify, which shall be in the form of tuition and stipend. The financial assistance under the CSPs shall be harmonized with the monetary benefits under the Unified Student Financial Assistance System for Tertiary Education-Tertiary Education Subsidy (UniFAST-TES), as well as with the free tuition and other school fees privilege provided in Republic Act No. 10931, the Universal Access to Quality Tertiary Education Act (UAQTEA).

The financial assistance under the CSPs is merit-based which can be availed of by the students enrolled in recognized priority programs of Private Higher Education Institutions (PHEIs), or in priority programs offered by State Universities and Colleges (SUCs) with Certificates of Program Compliance (COPCs) and CHED-accredited Local Universities and Colleges (LUCs).
