SCHOOL SAFETY AND PREPAREDNESS GUIDE

In view of the implementation of the 2020 Brigada Eskwela, this School Safety and Preparedness Guide is issued to provide guidance to schools and education partners in ensuring safety and preparedness of our learners and personnel before, during and after emergencies. Enumerated below is a list of recommended activities that may contribute to a safer school. School Principals need to identify which of list are most appropriate and important for their schools. The SH may also identify other measures that may add-up to this list.

I. SAFE LEARNING FACILITIES

1. Facilitate the assessment of school building structure and electrical wiring and make necessary repairs and/or upgrades to prevent unnecessary incidents.
2. Repair minor classroom damages such as broken windows, doors, blackboard, roofs and other furniture, etc.
3. Install appropriate and available fire suppression, including fire extinguishers, water source and relevant indigenous materials.
4. Make sure that corridors and pathways are unobstructed and that all sharp, protruding objects which may cause harm to students are removed.
5. Clean and clear drainage to prevent clogging. Cover drainage canals and provide necessary warnings.
6. Cordon off and post safety signage for on-going construction, unfinished, damaged and condemned buildings.
7. Secure cabinets and drawers and ensure that heavy objects are below head level.
8. Post safety measures in laboratories and workshops.
9. Prepare an evacuation/exit plan and directional signage on every floor of the building.
10. Identify evacuation areas and classrooms that may be used as temporary shelters during disasters and emergencies.
11. Prune trees to avoid entanglement from electrical wirings and avoid potential harm to life and property.

II. SCHOOL DISASTER MANAGEMENT

1. Post a directory of emergency contact numbers of relevant government agencies and officers, in various areas of the school.
 2. Establish and maintain early warning mechanisms in the school.
 3. Equip school with first aid kits, flashlights, megaphones, and other supplies necessary in cases of emergency. Ensure that these items are highly accessible and can be easily located.
 4. Identify alternative sources and/or maintain supply of drinking water within the school.
 5. Ensure that learners, teachers, and personnel have identification cards with relevant information.
 6. Create database of learners with the contact details of their immediate family members/relatives/guardians.
 7. Secure and safely store vital school records.
 8. Coordinate with barangay officials on pedestrian safety of students.
 9. Document accidents experienced by students and personnel within the school to improve prevention and mitigation measures.

STAKEHOLDER ENGAGEMENT STRATEGY

I. Introduction

The occurrence of disasters affected school operations to the point of depriving our students access to quality education. While we have improved our classroom standards, strengthened our coordination with partners for disaster response and capacity building, and established the Disaster Risk Reduction Management (DRRM) Service, there is a need to heighten support for school level implementation of disaster risk reduction.

Disaster preparedness of schools is an important factor to achieve resilience in our communities. DepEd, through 2020 Brigada Eskwela, seeks to mainstream disaster preparedness principles in readying schools for the opening of classes. More than the usual menu of provisions for schools such as putting up of fences, painting, roofing, among others, DepEd shall provide a list of preparedness measures that partners could support in various capacities.

Our aim is to engage all education stakeholders, which include the following:

- Local Government Units (LGUs) from provincial to barangay levels
- Private Partners
- Academe
- Civil Society Organizations
- Private Corporations
- Individual Volunteers

Our partners may assist DepEd in the following areas:

- Support implementation of school preparedness and safety measures
- Provision of emergency kits and education supplies for teachers and students
- Information, Education, Communication of DRRM

II. How to Engage the STAKEHOLDERS/What Each Stakeholder Can Do

WASH in Schools during Brigada Eskwela

Access to safer water, functional toilets and proper hygiene practice in schools creates the safe and conducive environment for children to optimally participate and achieve the learning outcomes. Thus, the need to ensure that water, sanitation and hygiene (WASH) facilities are adequate in number and well-maintained and the necessary hygiene and cleaning supplies are available in schools.

Creating a Conducive Learning Environment

With clean water supply, children are protected from water-related diseases and are able to practice proper hand and oral hygiene. In addition, toilets and other facilities are properly used and easily maintained. Clean and functional toilets that have privacy proper ventilation, and are in visible safe and accessible location ensure that children are able to relieve themselves with comfort and dignity. Moreover, adolescent girls are able to manage their menstruation effectively when toilets have water, soap and garbage bins for sanitary pads disposal. Group handwashing facilities and soap enable children to wash their hands and brush their teeth at scheduled time of the day, and thereby creating the routine for habit formation. Individual handwashing facilities with soap at strategic places such as in or nearby toilets and eating places enable children and adults, including food handlers and teachers, to wash their hands after using the toilets and before eating or handling food.

Developing Life-Skills and Increasing Resiliency

Water, sanitation and hygiene education in schools (WinS) develop life skills and contributes to the education goal of positive behavior change for young Filipinos. Through creating a safe environment and developing positive hygiene behavior, WinS contributes to reducing the vulnerabilities of children and increasing their resilience, especially at times of disaster and emergency.

Cognizant of the above, the Department of Education (DepEd), through the Comprehensive WASH in Schools Policy (DepEd Order No. 10, s. 2016, "Policy and Guidelines for the Implementation of the Comprehensive WASH in Schools Program") established standards for WASH services that needs to be ensured in all schools. Invoking the National WASH in Schools Policy, DepEd Order No. 32, s. 2017, "Gender-Responsive Basic Education Policy" mandates that schools "provide women, girl-child and adolescent-friendly facilities that meet the standards for Menstrual Hygiene Management (MHM).

WinS in Brigada Eskwela

The Comprehensive WASH in School Policy also recognizes the application of the School-Based Management (SBM) approach in improving and sustaining WASH in Schools, particularly through school planning and budgeting, partnerships and linkages. In this light, WASH in Schools strategically falls within the objectives and design of the Brigada Eskwela Program. For the purpose of the Brigada Eskwela, the National WinS Three Star Approach provides guidelines

Republic of the Philippines

in the identification of the gaps in WASH in (Schools and prioritization of actions to address them).

Global standards on Sanitation, hygiene

1. Compliance with access to safe drinking water
2. Availability of sanitary pads. Schools are prepared to support girls during menstruation by providing sanitary pads
3. Schools provide access to gender-segregated and functional toilets
4. Handwashing facility with water and soap available and daily activities

The following **WinS activities and provisions** may be mobilized:

1. Provision of water supply, through connection with barangay water networks, construction of water pumping system, and/or installation of rainwater catchments;
2. Construction of additional toilets, particularly gender-segregated toilets for boys and girls;
3. Repair and improvement of existing toilets, including desludging, to ensure functionality, privacy, comfort and security for children, especially girls;
4. Construction/improvement of individual and group handwashing facilities;
5. Improving accessibility to water, toilets and handwashing facilities through provision of concrete footpaths, disability ramps and roofing;
6. Provision of rest space for menstruating girls that are private, secure and comfortable;
7. Improvement of drainages, cleaning of roof gutters, and elimination of stagnant water;
8. Provision of hygiene supplies – soap, toothpaste, toothbrush, sanitary pads, etc. – and cleaning materials;
9. Improvement of solid waste management, including the provision of garbage bins for waste segregation, compost pits and material recovery facilities and/or securing local garbage collection services;
10. Putting up hygiene messages in strategic places (toilets and eating places) to motivate proper use of toilets and handwashing at critical times, especially after using the toilet and before eating;
11. Orientation of parents and other stakeholders on WinS and engaging their support for developing proper WASH practices at home and the community; and
12. Orientation and certification of canteen operators, vendors and food handlers on proper hygiene and sanitary food preparation and handling.

The selection of the Brigada Eskwela Best Implementing Schools shall be evaluated in accordance with the following criteria:

Criteria of Selection – Best Implementing Schools

1. Scope of Work – 30%

Scope of work is based on the school BE plan and physical facilities repair and maintenance needs assessment such as Repair Works, Maintenance Works, New Improvements and Beautification/Landscaping/Learners Kiosk Installation that are identified/included in the School Annual Implementation Plan. The computation is based on the percentage of work completed multiplied by 30%.

2. Diverse Volunteer Participation – 25%

The diversity of participation shall consider the group affiliation of volunteers with the following percentage assignment:

a. Parent volunteers – 15%

The computation is based on the number of volunteer parents per day over the targeted number of volunteer multiplied by 15%.

The target volunteer parent is from 100% to 200% considering the master list of the PTA/SF1.

b. Other volunteers – 10%

Target representative per group is 5 volunteers per group to get 2 points, below 5 volunteers shall be given 1 point then multiplied by 10%.

NGAs and other government organizations and public corporations	LGUs (Brgy / Mun / Prov)	Community Involvement including NGOs and Professional Associations	Private Sector Involvement including Corporate Foundations and Private Schools	Pupil / Student Organization (SSG / SPG), Alumni Associations and other civic organizations / associations
2 points	2 points	2 points	2 points	2 points

3. Generated Resources – 15%

The amount of resources generated shall include all donations-in-kind and equivalent amount of materials used for the scope of work accomplished during the Brigada Eskwela week and the equivalent amount of volunteer man-hour. It shall

Republic of the Philippines
Department of Education
REGION X – NORTHERN MINDANAO

also include all resources accepted from external partners after the steering and working committees were formed and commence to execute their functions as early as January 2020.

4. Alignment to Brigada Eskwela Theme – 15%

The evaluation shall consider the alignment of the program implementation to the Brigada Eskwela theme.

The evaluation shall consider the School Safety and Preparedness Guide – 21 points, computed as points meet/21 x 5%.

The WASH in Schools shall consider the activities and provisions specified in the guide of WASH in Schools during Brigada Eskwela above which is consistent to WinS Three-Star Approach, computed as points meet/15 x 5%.

Advocacy on Brigada Eskwela theme translated into school overall experiences and learnings – 5%

5. Creativity and Innovation – 10%

The evaluation shall be based on the presence of value added projects or unusual projects benefiting the schools and the learners. The criteria shall also consider the quantity of innovations, flagship programs anchored to the regional flagship program for Brigada Eskwela, and impact on access to education. Value added projects include but not limited to medical and dental services, provision of school supplies and uniform, awareness/literacy campaigns, special services for learners, teachers and non-teaching, information technology and multi-media projects.

6. Brigada Eskwela Support to Quality Education – 5%

The evaluation shall be based on the presence of after school program/s conducted by partners or in collaboration with partners and stakeholders to support quality of education under the Sulong EduKALIDAD program of DepEd.

Criteria of Selection – Brigada Eskwela Plus Most Sustained School

School Maintenance Activities Throughout the School Year – 70%

1. Evaluation shall be based on the sustained level of implementation of all school maintenance activities from June 2018 to June 2020.
2. A Narrative / Accomplishment report of all school maintenance activities from the Calendar Year (CY) 2018-2019 shall be submitted to show how the implementation of BE was sustained.

School and Community Effort to Improve Participation and Reduce Drop-Out, or Enroll in the Alternative Delivery Mode – 15%

1. Evaluation shall be based on the on-going school-community/stakeholders project to improve participation and drop-out reduction.

Republic of the Philippines
Department of Education
REGION X – NORTHERN MINDANAO
SCHOOLS DIVISION OF EL SALVADOR CITY

2. Data from School Year (SY) 2016-2017 shall be the baseline for the school participation and drop-out rate. The comparative report of data for three 3 years of school participation and drop-out rate as the basis for this criterion.

School and Community Effort to Improve Student and Community Learnings – 15%

1. Evaluation shall be based on school and community/stakeholders effort to improve student and community learnings referring to but not limited to remedial activities, parenting seminars, literacy programs, Alternative Learning System engagement activities and other school-community initiated activities.
2. Brigada Pagbasa shall be regular after-school reading program as a form of Brigada Eskwela initiative to address education related challenges on ensuring that all basic education students become functionally literate.

The **Hall of Fame Awards** shall be given to schools which were awarded as Best Implementing Schools for three consecutive years.
