Dear **KaSaMa Partner**,

We fervently hope that you and your family are safe in the midst of COVID-19 pandemic. As you may already know, DepEd has postponed the start of School Year 2020-2021 to 05 October 2020.

As we prepare for the next normal, we would like to invite **you and the teachers in your community** to be part of **KaSaMa Teachers Community (Ka-Science and Ka-Mathematics)**, a professional online community for K to 12 science and mathematics teachers launched by the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED), in partnership with Gokongwei Brothers Foundation (GBF).

We would also want to invite you and your fellow teachers to join us, for FREE, in our **KaSaMa Webinars: Series on Remote Teaching and Learning for K to 12 Teachers**, which will be streamed live via [KaSaMa Teachers Community Facebook Page](#). The sessions will be facilitated by **Dr. Monalisa T. Sasing** of the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED). Kindly see details below.

Session 1: Delivering Instruction through Modular Distance Learning

1 September 2020 (Tuesday) | 10 a.m.

The session aims to help teachers navigate modular distance learning by suggesting ways of effective lesson delivery, helping them define their role as teachers, and exploring what research says about the learning delivery modality.

Session 2: Designing Online Learning Activities

3 September 2020 (Thursday) | 10 a.m.

The session aims to prepare teachers in implementing online distance learning by providing them with a clear understanding and guidance on how to design online learning activities.

Session 3: Flipping Classrooms

8 September 2020 (Tuesday) | 10 a.m.

The session aims to provide teachers with a clear understanding of flipped learning and how the flipped learning approach as used in the classroom can promote independent learning.

You may find out more about the sessions and our resource speaker below. Mark your calendars, stay tuned at [KaSaMa Teachers Community Facebook Page](#) for updates.

As we gear towards the new normal and prepare for the upcoming school year 2020-2021, KaSaMa Teachers Community will remain by your side in continuously offering helpful opportunities and providing learning resources **FOR FREE** which you and the teachers in your school community may use as references in creating online teaching materials, developing modules, and devising alternative ways of instruction.

Same community, new way to connect.
