Superintendent/OIC

Division of El Salvador City

El Salvador City, Misamis Oriental

Dear Mx. Alonsabe,

Greetings!

We are the **UP Organization of Business Economics Majors (UP OBEM)**, a duly recognized socio-academic organization based in the School of Economics, University of the Philippines Diliman. It has been triumphant in furthering its core thrusts of unity, service, and excellence. Now on its 33rd year, UP OBEM continues to promote and strengthen its presence as the only business organization in the UP School of Economics, committed to fostering academic excellence and providing exposure to business and economics environments among its members and the student community.

After one year of hiatus, UP OBEM will once again hold **Econ No-Mix, an annual economics convention that aims to bring together 200 high school students nationwide** to promote economics by introducing different economic concepts in various fields through talks and competitions. It will be held on **May 15 and 16, 2021**, via several online platforms, primarily **Zoom**.

Econ No-Mix 2021, entitled **“RESCUE: Reviving the Philippine Economy through Strengthening the Healthcare System”**, will focus on public health, with a special focus on the government’s role in developing and implementing policies to strengthen the healthcare system and how responses to public health issues can improve economic outcomes. The talks and competitions will serve as an avenue for the participants to learn about the state of the Philippines’ health care system and its relationship to the economy, as well as possible means to meet its long-term objectives, all the while being linked to basic economic concepts and applications that are evident in everyday lives.

Pursuant to DepEd Order No. 8 s. 2013 entitled “Policy Guidelines on Regulating the Issuance of DepEd Advisories,” we **would like to request an advisory from your good office to further promote our event and to encourage a greater audience to participate in the competitions.**
