April 22, 2021

**Dr. ARTURO B. BAYOCOT**

Regional Director  
Department of Education  
Regional Office No. X  
Masterson Avenue, Zone 1, Upper Bulalang Cagayan de Oro

Dear **DR. BAYOCOT**:

Greetings from the Department of Science and Technology – Food and Nutrition Research Institute (DOST-FNRI)!

Because of the success of the Enhanced Nutribun Squash Variant and the directives and inspirations from Hon. Cabinet Secretary Karlo Alexei B. Nograles, the DOST-FNRI recently developed the Enhanced Nutribun with Carrots (New Variant) – a bread with natural fiber, with no artificial flavor and color. It provides energy, protein, vitamin A, iron, calcium, potassium, and zinc in significant quantities recommended for young children.

In line with this, the Institute will hold an **Online Launching of the Enhanced Nutribun New Variant** on **April 28, 2021, at 9:00 AM – 12:00 NN** via **Zoom platform**. It will serve as a call to all entrepreneurs, prospective technology adoptors and other stakeholders to continue the country's fight against malnutrition problems and contribute to the government's efforts towards zero hunger.

As one of our valued stakeholders and potential partners, we would like to invite you to the said event. Attached is the tentative program for your reference. You may confirm your attendance by registering to the link provided in this email. We will provide the zoom link thereafter.

For queries or clarifications, you may contact **Mr. Jaypy S. De Juan**, Senior Science Research Specialist, or **Ms. Lea B. Landicho**, Science Research Analyst, of the Technology Transfer and Commercialization Section, Technology Diffusion and S & T Services Division, at telephone number 8837-8113 loc 322 or through email at [bdutechnologytransfer@gmail.com](mailto:bdutechnologytransfer@gmail.com).

Thank you and best regards.

Very truly yours,

  
**IMELDA ANGELES-AGDEPPA, Ph.D.**  
Director IV and Scientist II

## ACTIVITY BRIEF

Enhanced Nutribun New Variant Launch

### **“Bagong Carrot Enhanced Nutribun kasing sustansya ng Squash Enhanced Nutribun – lahat kasali para Tall”**

April 28, 2021 | 9:00 AM – 12:00 NN via Zoom

On July 29, 2020, as one of the Institutes’s culminating activity for the celebration of Nutrition Month, the Enhanced Nutribun was launched with the theme, “*Ang Pagbabalik ng Nutribun*”. Right after the launch, many micro-, small, and medium enterprises (MSMEs), academe, corporation, cooperatives, foundation, non-government organizations (NGOs), and local government units (LGUs) expressed their desire to become part of the program, and help in improving the nutritional status of Filipino children.

Because of the success of the Enhanced Nutribun squash variant, and the directives and inspirations from Hon. Cabinet Secretary Karlo Alexei B. Nograles, the Institute developed the Enhanced Nutribun with carrots – a bread with natural fiber, with no artificial flavor and color. It provides energy, protein, vitamin A, iron, calcium, potassium, and zinc in significant quantities recommended for young children.

The Enhanced Nutribun carrot variant will be launched on April 28, 2021. It will serve as a call to all entrepreneurs, prospective technology adoptors and other stakeholders to continue the fight against malnutrition and contribute to the government’s effort on zero hunger.

The objectives of this activity are as follows:

1. To introduce to the public the new Enhanced Nutribun with carrots
2. To provide initial information and technical description of Enhanced Nutribun with carrots
3. To generate interest among the general public, entrepreneurs, MSMEs, and other stakeholders the adoption and utilization of the new Enhanced Nutribun with carrots.

**Launching of Enhanced Nutribun with Carrot (Virtual)**  
**"Bagong Carrot Enhanced Nutribun kasing sustansya ng Squash Enhanced Nutribun – lahat kasali para Tall"**

April 28, 2021  
 9:00AM -12:00 nn via Zoom
