1. With reference to OU-LAPP Memorandum No. Q-448, S. 2021, Re: **WEBINAR ON PARENTS' ROLE FOR A BETTER LEARNING AT HOME**, the External Partnerships Service (EPS) in 2020 has conducted the "Brigada Eskwela Webinar Series #2: Parents and Teachers in a Home-Based Setting" which helped parents become aware on various ways to connect with the schools and teachers on how to facilitate learning at home. The materials from the said webinar which include speakers' videos, PowerPoint presentations and the live recording of the discussion may be accessed through <https://bit.ly/2020PTAResourcesforParents>. Considering that only a limited number of schools are allowed to have the pilot implementation of face- to -face learning for School Year (SY) 2021-2022 due to the current health situation, the External Partnerships Service (EPS) will provide another webinar session for parents. This shall equip and capacitate the parents to adapt to the present normal in the learning environment. The parents' understanding of their role as FACE (Facilitator, Assessor, Community Mobilizer and Enabler) will ensure learning continuity despite the current challenges in the implementation of the Basic Education Learning Continuity Plan (BE-LCP).
