**OUA MEMO 00-1121-0063**

**MEMORANDUM**

05 November 2021

For: **EXECOM and MANCOM Members  
Schools Division Superintendents  
Information Technology Officers  
(Regional, Division, and School level)  
Public Elementary and Secondary School Heads  
All Others Concerned**

Subject: **RECOMMENDATION TO INCLUDE CHROMEBOOKS TO THE  
LIST OF ICT EQUIPMENT TO BE DONATED TO SCHOOLS,  
TEACHERS, AND/OR LEARNERS**

In line with the Office of the Undersecretary for Administration (OUA) Memorandum No. 00-0620-0030 dated 08 June 2020 titled *Minimum Specifications for ICT Equipment and Internet Services to be Donated to Schools, Teachers and/or Learners, Microsoft Licensing, and Donation Matters*, the OUA through the Information and Communications Technology Service (ICTS) recommends **inclusion of Chromebooks to the list of devices that can be donated to public schools, teachers and/or learners**. The minimum specifications of Chromebooks provided in **Annex A** will help facilitate distance learning during the COVID-19 pandemic. These shall also ensure dependability of devices in the conduct of face-to-face classes in the future.

Chromebooks run the Chrome Operating System that works seamlessly and efficiently with Department of Education (DepEd) email addresses. One of the advantages of these devices is zero-touch management and monitoring, which applies to the current teaching and learning modalities.

In connection with this, donors or benefactors are encouraged to indicate whether the provision of ICT gadgets will be done through **donation or commodatum**. For donations, the OUA recommends execution of a Deed of Donation in favor of the Schools Division Office (SDO) or the schools themselves (if these are the implementing units). For commodata, the same should be executed through written agreement, in favor of the corresponding implementing unit (i.e., SDO or school). These procedures are for purposes of proper recording and accountability.

Please note that the benefactor is not precluded to make donations directly in favor of teachers and learners. In this case, the Department is obligated to monitor and control inventory or render final accounting of items.

Upon request, DepEd may provide donors with copies of terms of reference and bidding documents that have been used in successful procurements of ICT equipment.

For questions and concerns on this subject, kindly contact Mr. Mark Anthony C. Sy, Head of the ICTS-Educational Technology Unit (EdTech), through email at [mark.sy002@deped.gov.ph](mailto:mark.sy002@deped.gov.ph).
