28 October 2021

DIVISION MEMORANDUM  
NO. 459, s. 2021

**CALL FOR RESEARCH PRESENTERS FOR THE 5<sup>TH</sup> NATIONAL  
CLIMATE CHANGE CONFERENCE**

To: **Asst. Schools Division Superintendent**  
**Chief, Schools Governance and Operations Division**  
**Chief, Curriculum Implementation Division**  
**Education Program Supervisors**  
**Public School District Supervisors**  
**Administrative Officer V**  
**Project Development Officer II**  
**All Public and Private Elementary School Heads**  
**All Public and Private Secondary School Heads**  
**School DRRM Coordinators**  
**All Others Concerned**  
This Division

1. Pursuant to OUA Memorandum 00-1021-0217 *Re: Call for Research Presenters for the 5<sup>th</sup> National Climate Change Conference*, this Office hereby informs the field on the conduct of Research Hour Session as part of online celebration of the 5<sup>th</sup> National Climate Change Conference on November 23, 2021, 3:00-5:00 P.M. via virtual platform.
2. This activity aims to provide a platform to elevate discussions, strategize participatory and concrete actions that can be done to create meaningful change, and help the learners, personnel, and their families gain a deeper appreciation and awareness of the country's vast biodiversity.
3. Further, interested teaching and non-teaching personnel as well as learners are invited to submit their research abstracts through this link <http://bit.ly/DepEd5thNCCCRsearchPresenter> not later than November 8, 2021.
4. Moreover, kindly refer to Enclosure 2: Guide for the 5<sup>th</sup> National Climate Change Conference – Research Hour.

## Enclosure 2. Guide for the 5th National Climate Change Conference – Research Hour

A report from the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services reveals that nature is declining globally at rates unprecedented in human history, and the rate of species extinction is accelerating, with grave impacts on economy, food and water security, health, and quality of life worldwide.

Hence, to ensure that learners, personnel, families, communities, and other stakeholders are equipped with necessary knowledge and actively engaged in addressing biodiversity loss and climate change, the Department of Education (DepEd) through Disaster Risk Reduction and Management Service (DRRMS) is organizing an online celebration of the **5th National Climate Change Conference (NCCC)** on **19-25 November 2021** with the theme *Reinforcing the Youth's Role on Stewardship of Biodiversity for Climate Stability*.

This aims to provide a platform to elevate discussions on the impacts of climate change and human actions on biodiversity, strategize participatory and concrete actions that can be done to create meaningful change, and help the learners, personnel, and their families gain a deeper appreciation and awareness of the country's vast biodiversity. Kindly refer to **Enclosure 1** for the concept note.

For questions or clarifications, please do not hesitate to contact the DRRMS through email at [drmo+ccam@deped.gov.ph](mailto:drmo+ccam@deped.gov.ph).

### Sub-themes

- Economic valuation of environment and natural resources
- Equity, diversity and inclusion in environmental education
- Extension and community engagement
- Innovations toward ecosystem restoration
- Meaningful youth engagement and leadership in climate action
- Projects for the conservation of flora and fauna endemic or native to a specific locality in the country
- Resilience against climate change

### Submission

Teaching and non-teaching personnel as well as learners who are interested to be research presenters for **Learning Session 7 – Research Hour** of the said event should submit an **abstract** of not more than 350 words at <https://bit.ly/DepEd5thNCCCResearchPresenter> on or before **08 November 2021**. The research abstract should be relevant to the conference theme and one of the sub-themes. The authors of accepted abstracts shall receive a notice of acceptance from the DRRMS by 10 November 2021.

## Guidelines for Research Presenters

Upon acceptance, research presenters are required to submit video recordings or slide presentations with narration by **15 November 2021** at [drmo+ccam@deped.gov.ph](mailto:drmo+ccam@deped.gov.ph).

### A. Content

1. Each presentation should not be more than **10 minutes** in length. Since time usually goes very fast when one is presenting, it would be best to state your key points or findings at the outset. Keep your introductory remarks very short (not more than 1 minute) and avoid reading every line on your slides.
2. To ensure that you are able to make a complete the presentation within the time allotment, do not prepare too many slides. If you spend one minute per slide, then the maximum number of slides for 10 minutes is 10 slides. If there is at least one slide that you need to explain more, then you should have fewer than 10 slides. **Tip:** After preparing all slides, review each to see how essential it is to your presentation, and then cut out slides that do not necessarily contribute to the overall presentation. Put key points first in case you run out of time.

### B. Video Guide

- Record the video preferably with your smartphone for better resolution. You may also record through your laptop, webcam device, or a digital meeting platform such as Zoom and Google Meet.
- Dress code: solid-colored top preferably contrasting the color of your background. Avoid wearing tops with busy prints.
- Background: Ideally a clean or not busy. Backgrounds with nature or greenery elements are also preferred.
- The camera should be at eye-level. Make sure that you are at arm's length from the camera.
- The video frame size/ratio should be 16:9. If you are using your phone to record, you can set the ratio to 16:9.
- Sample video framing:

- ✓ Landscape orientation
- ✓ Centered medium shot/ half-body
- ✓ Proper head room/space between the top edge of the frame and the subject's head
- ✓ Look directly at the camera.

- When recording, remember to project your voice clearly and properly. Observe proper pauses.
