The **2022 GAD Webinar 2** will open its registration on April 7, 2022, at 2PM

Session title: **Fundamentals of Gender Mainstreaming (GM): Review of Policy Imperatives on GAD and GM Concepts**

This learning session discusses gender mainstreaming as a strategy to pursue gender equality and make it a fundamental value in development choices and institutional practice. Gender Mainstreaming ensures the recognition of gender issues on a sustained basis by including a gender perspective in the design and implementation of plans and programs to carry out government mandates. It also reviews GAD-related mandates that are imperative and essential in fully understanding the basis and history of the Gender and Development Approach in the country.
