**Essentials of Project Management Seminar-Workshop - September 21 to 23, 2022 (P3,000.00)**

Without project management, teams and clients face chaotic management, unclear objectives, a lack of resources, unrealistic planning, high risk, low-quality outputs, and projects that exceed budget and are delivered late.

Excellent project management is critical because successful projects are led by excellent project managers. Further, project management develops and supports happy, motivated teams that understand their job matters and so perform at their best.

**Learning Outcomes:**

- *Develop your ability to plan and manage projects. Develop into a skilled project manager.*
- *Discover the two most well-known techniques to project management: Predictive (Traditional) and Agile Project Management.*
- *Participants will be able to manage a project's scope, timetable, schedule, time, quality, and communications.*
- *Gain an understanding of the many sorts of stakeholders involved in a project and how to handle them effectively.*
- *Finally, learn how to mitigate risks and safeguard their project.*

Therefore, we invite you to attend the upcoming workshop on Essentials of Project Management Seminar-Workshop - September 21 to 23, 2022 (9:00AM to 4:00PM), via ZOOM.

**To access the course outline, description, and program of activities, send us an email.**
