Regional Director
DepEd Regional Office X
Masterson Avenue, Upper Balulang,
Zone 1, Cagayan de Oro City,

Thru: **Dr. Nick Pañares**
Education Program Supervisor (Science)
DepEd RO X

Dear Dr. Bayocot:

We are pleased to inform you that the Science Education Institute of the Department of Science and Technology (DOST-SEI) is currently implementing the project, *SEI STEM Teach: The 7E's of Teaching Chemistry* which aims to enhance the content mastery and improve the pedagogical skills of teachers. The target participants are Grade 10 Chemistry teachers who are non-Chemistry majors.

Early this year, we have successfully conducted the pilot testing of teaching modules and the pilot run of training in Region IV-A. Also, after revising/finalizing the modules, we would like to cascade the same training to other regions. With this, we would like to invite teachers from Region X to participate in the training that will be conducted face-to-face on **August 22-25, 2022** in Cagayan de Oro City.

May we also request assistance from your office in the identification of **forty (40) teacher-participants** (preferably 20 females and 20 males) and the issuance of DepEd Memorandum or advisory for their participation. We will also require that the training participants be:

- a. non-Chemistry major;
- b. currently teaching Chemistry in Grade 10; and
- c. does not belong to the high-risk group based on the IATF classification.

Our SEI staff, Ms. Mary Angelica Palomo, will coordinate with your office regarding this request. For further queries, however, she may be reached at telephone number +63 977 2587 615 or at email address seid.trainingunit@gmail.com.

Thank you and we look forward to your support towards quality education for all.

Very truly yours,

JOSETTE T. BIYO, Ph.D.
Director
