Subject: **Lessons on Demand; Learning on the Go: Enhancement and Enrichment of TVL and RBI (Training cum Workshop on Development of Learning Episodes and Radio Segments for Education on Air Radio Based and Television Based Instruction for Region 10)**

Date: June 24, 2022

The Office of the Undersecretary for Administration (OUA), in collaboration with DepEd REGION 10, will conduct Lessons on Demand; Learning on the Go: Enhancement and Enrichment of TVL and RBI (Training cum Workshop on Development of Learning Episodes and Radio Segments for Education on Air Radio Based and Television Based Instruction for Region 10) from August 1 - 5, 2022 at Camiguin Province Region 10.

This course will prepare participants to write competent video/radio lesson scripts and produce actual video and audio materials that their respective school and the division can use as a model for delivering functional tv based video lesson instruction and radio-based instructions. Extensive and in-depth discussions, as well as hands-on practice, will be supervised to prepare teachers to face the camera and deliver lessons online and on the air.

The training will be conducted face to face in five (5) consecutive days on the 1<sup>st</sup> - 5<sup>th</sup> August, 2022. Participants' output will be processed and studied as means to assess their preparedness to deliver effective video lessons and radio-based instructions. Speakers invited are experts in their respective fields who will be able to inspire participants to really bring out the best in them for the efficiency of their video and audio lessons.

The training cum workshop is anticipated to take place in Camiguin, taking into account the following factors:

1. Camiguin is advantageously positioned and easily accessible for both participants and logistics;
2. Present the innovation projects and TVL/RBI programs to ensure the integration of technology and curriculum in the delivery of teaching;
3. Highlight the accomplishments of the Division and/or Regional Offices in producing creatively transformational educational technology tools and resources for learners and instructors, including those in Last Mile Schools;
4. Acknowledge the use of the island's natural beauty and wealth in the production of high-quality television video courses and radio-based training; and
5. Showcase the islands' geography, culture and history as one of the first locations for DepEd History Channel
