Greetings!

The PHI LAMBDA DELTA SORORITY is the premier sorority in the UP College of Medicine. Since 1969, the Sorority has shared in the vision and mission of the College of Medicine to produce a community of doctors who possess a heightened social consciousness through a firm commitment to excellence and leadership in community-oriented medical service directed especially to the underserved.

Every year, the sorority continues to find partners and organizations who can join us in our advocacy of HIV/AIDS through our project entitled EmpoweRED: An HIV Awareness Campaign. EmpoweRED is a series of talks that highlight different aspects of HIV/AIDS including the science behind it and the stigma and discrimination that surround people living with this disease. Through these discussions, the campaign aspires to educate the youth regarding the illness and further empower the victims of this disease. Last year, the webinar reached over 1,000 students from Luzon. To learn more about EmpoweRED, you may visit <https://www.facebook.com/empoweREDcampaign>.

This year, the campaign aims to reach out to more schools and institutions around the Philippines. With this, we would like to kindly ask for an **updated directory of schools with their contact details** in your region so that we may send out our formal invitation to the different schools and invite them to partner with us in this endeavor.

In our time where fake news and disinformation is rampant, continuous awareness and educational campaigns hold a strong matter of significance. Together with the youth, we must become the vessels that spread the truth about how to stop the spread of HIV. In this way, the youth become ripples of positive change, an active member in its prevention, and ultimately realize that a person living with HIV is also a person living with dignity.

For any questions or clarifications, you may contact Nicsy Escobar (09770158539 or nlescober@up.edu.ph) or Cierre Asis (09088832471 or isasis@up.edu.ph). Thank you very much and we are hoping for your cooperation!
