Hi DepEd Region 10 Division Office,

Good Day!

This is Inah Trivino, Business Development Specialist from AF Payments Inc. - Beep™.

AF Payments Inc., the company providing the Beep™ cards and Beep™ Automated Fare Collection System.

Beep™ is the only fare collection system that operates in the 3 major railways in the Philippines, namely the MRT3, LRT1 and LRT2. We are also being accepted in most Point-to-point buses all over Metro Manila. Our EDSA CAROUSEL buses running the main artery of Metro Manila is fully using the Beep™ fare collection system.

To offer convenience and efficiency of an automated, cashless system, we would like to offer Beep™-enabled **ID cards and cashless payment ecosystem** implementations for public and private school institutions.

We would like to invite you for a short meeting to discuss what is beep and possibility for DepEd Region 10 Division Office to collaborate with Beep™ to officially endorse Beep™ in Schools belonging in your region.

We are looking into possibility of having ID Beep™ cards (For Student of Staff) and also have cashless implementation within campus (gate access included). These would be very helpful to your stakeholders and would help promote technical executions different regions.

You may visit our website to know more about us:
