Greetings!

The **PHI LAMBDA DELTA SORORITY** is the premier medical sorority of the UP College of Medicine. Since its founding in 1969, the Sorority has shared in the vision and mission of the UP College of Medicine to produce a community of doctors with heightened social consciousness. In line with this, we also further our advocacy of HIV/AIDS awareness through our activities and events such as EmpoweRED.

EmpoweRED is a series of educational talks where guest speakers are invited to discuss the basics of HIV and how to help destigmatize people living with HIV. Since October 2019, EmpoweRED has been brought to different local high schools with the goals of educating the youth regarding the disease, and allowing individuals living with HIV to tell their stories. The incidence of HIV continues to rise at alarming rates, while gender inequality and domestic abuse against women has been more rampant than ever during this pandemic. We hope these discussions like these would be able to educate and empower the youth, Filipinos with HIV and their loved ones.

Each year, we aspire to form more and more advocates in our fight against HIV and injustice towards women's rights. With this, it would be our pleasure to invite your high school students to **EmpoweRED: An HIV Awareness Campaign & Webinar via Zoon on December 1 (Saturday)** from 1:00 - 3:00PM. As our partner, we would like to request for the participation of your students by joining our event, since our ultimate goal is for **high school students** to learn more about HIV. In our 2021 webinar, we had *over a thousand high school and college participants* with positive feedback and many learnings.

With your institution's endorsement and partnership, we truly believe that this event will provide a great avenue for educating and empowering your students, the next generation. Should you be interested, you may register your students through this link: bit.ly/HIVaware22

We would also like to **invite your students to join our EmpoweRED Tiktok Contest** and create short videos that educate about HIV prevention. The creative contest is open to all high school students and **will run from December 10 to December 26**. One grand winner and two other finalists will be awarded **cash prizes** at the end of the contest period. We openly invite Filipino students to participate in this fun contest and take part in our advocacy raising HIV/AIDS awareness. For more information, kindly see the attached competition guidelines for your perusal or you may check our Facebook page: [EmpoweRED | Facebook](https://www.facebook.com/EmpoweREDUPM)

Upon confirmation of your partnership, we would like to request for a:

1. **List of schools who will participate in the event;**
2. **List or number of attendees;** and
3. **Contact person and their contact details** for further coordination of the event proper.
