December 20, 2022

DR. ARTURO B. BAYOCOT

Regional Director
Region X
Department of Education

Dear Dir. Bayocot:

Greetings of Peace and Prosperity!

The Outdoor Adventure Education Philippines (OAEPPhil), in partnership with the IM Innovative Book Publishing House and the International Federation of Physical Education, Fitness, and Sports Science Association, will be having its **OutdoorCon 2023** with the theme **"Trends, Issues, and Best Practices in Outdoor and Adventure Education in the Philippines"** on **February 12, 18, and 19, 2023**, at the Tatlong Bato Campsite, Tanay Rizal. OAEPPhil is a non-profit and non-stock advocacy group that aims to promote outdoor adventure education and the principles of experiential learning in the natural setting in the Philippines. Thus, the program is intended to cater graduate students, physical education majors, sports managers, school-based and community-based curriculum and program designers, outdoor enthusiasts, and all other interested participants.

The focus of this conference is to discuss the trends, issues, and best practices in the field of outdoor and adventure education in the Philippines. It will also provide an avenue for paper presentations, keynotes, and plenary sessions on the first day (February 12, 2023) via Zoom video conferencing, followed by 2-day training-workshops on February 18-19, 2023, to learn and apply the basic skills in teaching outdoor related activities such as mountain climbing, camping, orienteering, first aid, and disaster risk reduction and management.

With this, we would like to invite the participation of educators both from private and public schools in basic education as well as the higher education institutions in the country. We have invited resource speakers from sports, outdoor adventure, and educational institutions to share their insights and knowledge relevant to the given topics.

This Training Workshop/Conference has a minimal registration fee amounting of PHP 2500 and will be charged to each participant and it will take place outside of teaching and working hours, as per D.O. no. 9 s. 2005. **This conference/workshop includes a certificate of completion and attendance, a certificate of recognition for the research presenter, a certificate of completion for the Basic Mountaineering Course (BMC), a camping fee for two days, hosted meals, and the PATHFit 4: Outdoor and Adventure Activities Book.**

May we request for an advisory of this event so that the participants can utilize it for whatever legal purposes it may serve.

We hope you will accept our invitation to attend this upcoming event.

Thank you very much!

Very respectfully yours,
