Dear Ma'am Alonsabe,

Greetings! We hope this letter finds you well.

As you may know, the Mindanao State University at Naawan – Office of International Affairs and Linkages has been continuously working towards internationalization efforts for both research and academe. One of our recent partnerships is with Kastamonu University in Turkey, which is planning to expand globally by administering an entrance examination for the admission of freshmen students in Turkish universities.

We are pleased to inform you that we have agreed to assist Kastamonu University in disseminating information about their upcoming entrance examination in Lanao provinces. The examination is scheduled to be held on May 27, 2023, in MSU-Main and MSU-IIT campuses, and is open to all graduating K-12 students and incoming freshmen.

We believe that this is an excellent opportunity for your students to pursue their tertiary education abroad and gain international exposure. It is a chance for them to immerse themselves in a new culture, learn new languages, and expand their knowledge and skills.

The examination fee for the entrance exam is \$40, which will cover the administration, proctor, venue, incidental expenses, and other logistics during the conduct of the event. Interested participants may fill in the online application form through this link: (<https://bit.ly/3Y20jLE>).

Attached to this letter are the promotional materials and flyer from Kastamonu University. We would greatly appreciate your assistance in effectively disseminating this information to the various schools within your division, to ensure that the details reach a wider audience. Moreover, we would appreciate it if you could encourage your students to take advantage of this opportunity.

Thank you very much for your support, and we look forward to continuing our partnership with your division.
