Yesterday's Dream

Song by Donna Cruz

We are the children of yesterday's dream
We are the promise of the future we bring
Waving the banners of love to all
To every nation, the rich and the poor

Refrain:

We are the world of the restless and young
And we need a hand to guide us
Helping each other Build each other
As long as we're together you and me

For together we stand, divided we fall
Together we climb to the top of the world
We can be what we want for the world to see
We are the children of yesterday's dream

We have the yearning to do what is best
Be someone special from all the rest
Nation and brothers in unity
Building tomorrow for you and for me

The Journey

Song by Lea Salonga

Half the world is sleeping
Half the world's awake
Half can hear their hearts beat
Half just hear them break

I am but a traveler, in most every way
Ask me what you want to know

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been

I have been to sorrow
I have been to bliss
Where I'll be tomorrow
I can only guess

Through the darkest desert
Through the deepest snow
Forward, always forward, I go

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been

Forward, always forward
Onward, always up
Catching every drop of hope
In my empty cup

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been
What a journey it has been
