Dear Dr. Tortola:

Greetings from the Department of Science and Technology.

The DOST will spearhead the celebration of the **National Science, Technology, and Innovation Week (NSTW)** from 27 November to 1 December 2024, at Limketkai Center in **Cagayan de Oro City**.

NSTW is the country's annual celebration that provides an opportunity to focus regional and national attention on the contributions of science and technology to national development. Proclamation No. 2214 in 1982 mandated the NSTW celebration, as amended by Proclamation No. 780 in 2019.

The five-day event will highlight DOST's programs, projects, and activities according to four strategic pillars: Promotion of Human Well-being, Wealth Creation, Wealth Protection, and Sustainability. It will feature exciting immersive exhibits, various fora, technology pitching, and talks on innovations from the country's scientific community. Moreover, DOST will recognize and award personalities and projects that have significantly contributed to the development of Science, Technology, and Innovation.

This year's celebration is the first in Mindanao with the theme "**Siyensya, Teknolohiya, at Inobasyon: Kabalik at Matatag, Maginhawa at Panatag na Kinabukasan,**" and the subtheme "**Providing Solutions and Opening Opportunities in the Green Economy.**"

We invite you, your staff, and your students to join us during the celebration to view the exhibits. To register, you may download the NSTW 2024 mobile application directly from App/Play Store or through the following links:
